Fax: 250-378-2541

March 20, 2020

To: Stuwix Resources Communities & Contractors:

To share an update from Stuwix Resources on our strategies to ensure smooth operations as well as some adjustments we have made with regards to upcoming events in light of COVID-19. The following reflects our best efforts to keep our staff and our community as safe and healthy as possible, and to provide you with some certainty with regards to our operations.

REACHING STUWIX STAFF

Stuwix staff continue to be fully operational and able to support our operations. In order to ensure the health and safety of our team, the Stuwix office is closed to any outside visitors. We may also have limited staff on site as we have staff currently working remotely from home. We have the systems in place to allow us to be fully accessible by email, phone, and video call.

STUWIX MEETINGS AND WORKSHOPS

In order to prioritize the health and safety of our community and prevent the spread of the COVID-19 virus, **Stuwix is canceling all scheduled in-person meetings and workshops through June**, with alternative virtual arrangements being developed such as the use of Zoom, Skype, Go To Meeting or good old fashioned phone calls.

PAYMENT TO CONTRACTORS

We will be working on addressing payment to contractors. In the past contractors came into the office to sign out their cheques. As our office is open to employees only we request the contractors to contact the office number at 250-378-2277 and let the office know you are there and we will bring your cheque out to you or we can make alternate arrangements such as mailing the cheque out.

We appreciate your continued support in trying to stop the ongoing spread of this virus and thank you for your cooperation.
